Crack The Code 

- A.** 1. COMPUTER ICON 2. FOUR-HEADED ARROW 3. START BUTTON

B.

Start button

Opened programs

Show Desktop button

The diagram shows a Windows 7 taskbar. From left to right, it contains: the Start button (Windows logo), several application icons (Internet Explorer, File Explorer, Windows Media Center, Google Chrome, Adobe Illustrator, Adobe Photoshop, and Adobe Reader), a notification area with icons for network, volume, and safety, and a system clock showing 4:55 PM on 4/1/2014. Labels with arrows point to these elements: 'Start button' points to the Start button; 'Opened programs' points to the application icons; 'Show Desktop button' points to the small square icon in the notification area; and 'Date & Time' points to the system clock.
