FUN WITH TUX PAINT

Chapter-6

A. Write 'T' for true and 'F' for false.

1. Drawing Area is the blank area used to draw and paint.
2. Tux paint is the drawing and painting program with sounds.
3. We can pick a color from Color Palette.

B. Label the parts of Tux Paint window.

The image shows a screenshot of the Tux Paint application window. The window title is "Tux Paint". On the left side, there is a "Tools" palette with icons for Paint, Stamp, Lines, Shapes, Text, Label, Fill, Magic, Undo, Redo, Eraser, New, Open, Save, Print, and Quit. On the right side, there is a "Brushes" palette with various brush shapes. At the bottom, there is a "Colors" palette with a row of color swatches. Below the colors, there is a text prompt: "Pick a color and a brush shape to draw with." and a small Tux penguin icon. The central drawing area is blank. There are four empty rounded rectangular boxes with lines pointing to the Tools palette, the Brushes palette, the Colors palette, and the drawing area, intended for labeling.
