

1. Hardware and Software

1. CPU (Central Processing Unit)
2. The keyboard is used to give input to the computer by typing numbers, letters and special characters.

ASSESS YOURSELF

1. a. (iii) b. (ii)
- c. (This question is printed incorrectly in the book, please correct it in your textbook.)
Question: Which of the following is used to capture pictures in digital form?
(i) Speaker (ii) Webcam (iii) Microphone
Ans. (ii)
- d. (iii) e. (i)
2. a. ALU b. three c. hardware d. CPU box
3. a. Joystick b. CPU c. Operating System d. PowerPoint

4.	System Software It controls the overall functioning of a computer. Example: Operating system like Microsoft Windows.	Application Software It is used to perform a specific task. Example: MS Word, Calculator, PowerPoint.
----	---	--

5. a. (This question is printed incorrectly in the book, please correct it in your textbook.)
Question: What are Input devices?
Ans. Monitor and Speakers are Input devices.

- b. A feature of a computer is:
Speed: It does calculations at a very high speed.
- c. A computer works in three steps: Input → Process → Output (IPO). This is also called the IPO cycle. Here,
- Input means the data and instructions entered into the computer.
 - Process means conversion of data into information.
 - Output means the result achieved after processing of data.
- d. The devices that display the results of processing done by the CPU are called output devices.
The names of any two output devices are: Monitor and Printer.
6. a. Anaya should use microphone to record her song on the computer.
b. Satvik should use Paint to draw a car on the computer.
7. a. Output Process Input
b. Input Output Process
c. Process Input Output

2. Windows 11—An Introduction

1. The full form of GUI is Graphical User Interface.
2. Taskbar is one of the components of the desktop.

ASSESS YOURSELF

1. a. (i)
- b. (This question is printed incorrectly in the book, please correct it in your textbook.)

Question: Which of the following is an operating system?

- (i) Linux (ii) Windows 11 (iii) All of these

Ans. (iii)

- c. (The option of this question is printed incorrectly in the book, please correct it in your textbook.)
 Question: Which of the following is known as the first screen that appears after the Windows operating system is loaded?
 (i) Login screen (ii) Settings (iii) File Explorer
 Ans. (i)
- d. (i)
- e. (This question is printed incorrectly in the book, please correct it in your textbook.)
 Question: Which of the following is a part of the desktop?
 Ans. (i)
2. a. Operating System b. Booting c. Icons d. Taskbar
3. a. Virtual Desktop b. Start button c. Desktop
4. a. A feature of Windows 11 is:
 It is a user-friendly operating system.
- b. (This question is printed incorrectly in the book, please correct it in your textbook.)
 Question: When and by whom was Windows 11 launched?
 Ans. Windows 11 is a new generation of operating system launched by Microsoft in 2021.
- c. The steps to change the desktop background are:
Step 1: Right-click on the desktop and choose Personalize option.
Step 2: Click on the Background option.
Step 3: Select any picture. After choosing a picture, the background will change automatically.
- d. (This question is printed incorrectly in the book, please correct it in your textbook.)
 Question: Write the steps for sorting the icons.
 Ans. To sort desktop icons, follow the given steps:
Step 1: Right-click on the desktop.
Step 2: Select Sort by option.
Step 3: Select an option (for example: Name).
5. a. This PC b. Recycle Bin c. Network
6. To create a new desktop, you should click on Task View button available on the taskbar, then click on the New desktop option. A new desktop will be created.

Periodic Assessment–1

(Based on chapters 1 & 2)

1. a. Joystick b. Microphone c. Laser Printer d. Monitor e. Speakers
 f. Pen Drive

2.  3 Switch the Set time automatically option to off in the Date & time settings.
-  1 Right-click on the Clock.
-  4 Click on Change option to set the date and time manually.
-  2 Click on Adjust date and time option.
3. a. Anaya can use MS Word to type a letter on the computer.
b. Arnika should use speakers to hear music on the computer.

3. Word 2021—An Introduction

Answer: 1. File Tab 2. Minimize
