EXPLORING THE WORLD OF WINDOWS 10

A. Name the mouse pointer used:

1. For resizing the window or pictures.
2. For inserting the text in document.
3. For moving the pictures.
4. For pointing, selecting and dragging the items.

B. Label the components of Windows 10 desktop.

The image shows a Windows 10 desktop environment with a blue background and a grid of application icons on the left. A taskbar is visible at the bottom. Four empty rounded rectangular boxes with arrows pointing to specific parts of the desktop are provided for labeling:

- One box at the top left points to the desktop icons.
- One box at the bottom left points to the Start button.
- One box at the bottom center points to the taskbar.
- One box at the bottom right points to the system tray.
