

Guidelines for Teacher to access our web support

1. Open www.touchpadwebsupport.com.
2. **REGISTER** yourself as **SCHOOL/TEACHER** if you are a touchpad user.

3. **Wait** for the approval. Your **user name** will be same as your **registered email id**.
4. After approval, you will receive the **password** on your registered email.
5. Now, **sign in** using the credentials received to download our digital content.
6. Once you sign in, **select** the book, class and choose a **category** of download from the left tab.
7. Click on **Search** button.

8. Now, **click on the link** of the files to download the data and use it offline.
